2417 Honeysuckle Road, #2A
Chapel Hill, NC 27514-6819

Dear Mr. Davidson,

Recently, at ACHE in Chicago, I had the pleasure of listening to your "Managing the PACE With Grace."

Your presentation was filled with information relating to the five mega realities. It became apparent very quickly that as we have grown accustomed to managing the human "gerbil wheel," it is necessary to take time to renew ourselves so we can continue giving to others.

Thank you for the "moments of truth."

Cordially,

Beverly L. Hoege, RN MS
