WRITE MORE, SELL MORE: TIME MANAGEMENT FOR FREELANCERS (Jeff Davidson) Making the most effective use of our time is an ongoing battle for many freelance writers. After all, so many things demand our attention in addition to the blinking cursor on our computers. Author and time management expert Jeff Davidson provides a wealth of tips and advice on how to make the most of every minute, freeing you to write more without giving up your life. (One tip: Don't be a slave to email!)

**Jeff Davidson** is The Work-Life Balance Expert ®. He has written 59 mainstream books, including the best-selling *Breathing Space* and *Simpler Living*. His 60 Second Series includes *60-Second Self-Starter*, *60-Second Organizer* and *60-Second Innovator*. Jeff is a popular public speaker whose corporate clients include Kaiser Permanente, IBM, and American Express. ([BreathingSpace.com](http://BreathingSpace.com))

## **ABOUT TAF**

TAF is a dedicated group of working freelance writers who are located in North Carolina's Triangle region. The majority of our members place their professional focus on nonfiction magazine articles and books, but many have also excelled at fiction, poetry, personal essays, photography, newspaper writing and more.

Donald Vaughan is an award-winning writer and the founder of Triangle Area Freelancers. Don teaches "Freelance Writing for Beginners" through the Continuing Education program at Wake Technical Community College. ([www.donaldvaughan.com](http://www.donaldvaughan.com))
