

Speaker

University

From the Platform to Profits

Take your speaking career to a **higher** level at NSA/Carolinas' Speaker University
November 9-10 at the Charlotte Hilton Executive Park.

On Friday night, enjoy and learn from master story tellers **Emory Austin, CSP, CPAE** and **Patricia Ball, CSP, CPAE**. Each will demonstrate in “**All The World’s a Stage**” the art of storytelling along with the appropriate use of the stage for maximum impact on the audience with regard to humor, pathos and power.

On Saturday, get your back packs, tablets and laptops ready.....

Our first Professor is **Jeff Slutsky, CSP**. In this class, Jeff has “**Confessions of a Street Fighter.**” Get tips on refining your marketing to advertise, promote and market on a community level to increase sales without spending a lot of money.

Our second Professor is Jeff Davidson. In this class, “Leveraging Products and Written Works to Create Multiple Streams of Income” discover how to more quickly and easily create written content that you can distribute all over the web and beyond to promote your speaking business.
